A Snapshot of Proudfoot in…

Oil & Gas / Petrochemicals

We are proud to have supported the transformation initiatives of these best in class organizations…

TOTAL
bp
Shell
subsea 7
SWN Southwestern Energy®
sasol
H&R
TechnipFMC

What if you could…

- Increase shareholder value, engage your people in positive transformation, achieve record production at optimal operating cost, and do it safely?
- Deliver full production, on budget, shorten ramp up transition & deliver target ounces ahead of schedule, safely?
- Fundamentally change the way you work on:
  - Operating model design & implementation for reduced cost of production
  - Integrated planning & scheduling
  - Logistics & supply chain design & optimization
  - Capital, construction & turnaround project cycles & costs
  - Asset availability & utilisation
  - Throughput improvement & process stabilization
  - Safe productivity improvement

20-35% Reduced sub-contractor costs

8%-12% Improved return on working capital employed

20-40% Reduced downtime

20-30% Maintenance cost reduction

20-40% Improved overall productivity

5%-15% Reduced energy costs
