

# A Snapshot of Proudfoot in...

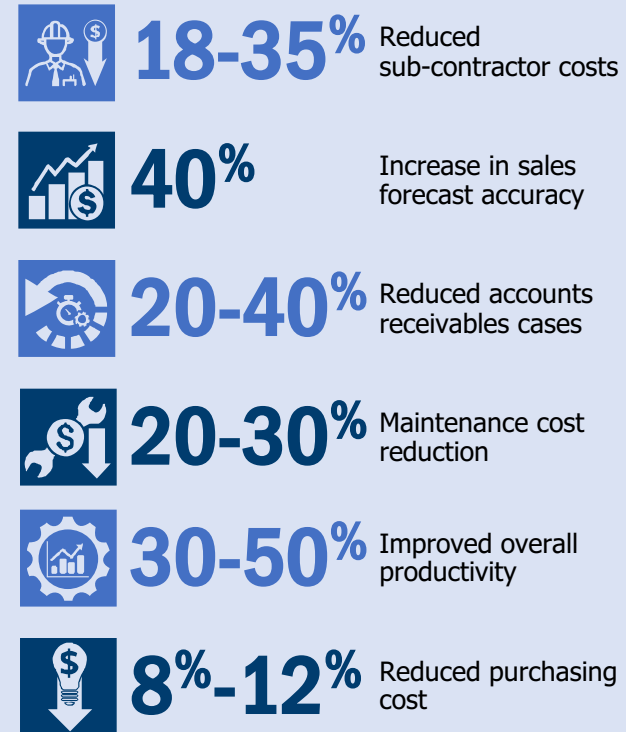

## Utilities / Energy

We are proud to have supported the transformation initiatives of these best in class organizations...

### What if you could...

- Deliver working capital benefits from improved procurement, sales forecasting, cost control and billing / accounts receivables management.
- Engage your people in positive transformation, achieve inter-departmental co-ordination and optimize engineering, maintenance and operations performance at optimal operating cost, and do it safely?
- Fundamentally change the way you work on:
  - Optimizing procurement and inventory management
  - Integrated planning & scheduling
  - Subcontractor management control
  - Maintenance and Operations excellence
  - Asset management frameworks, availability & utilisation
  - Improvement in on-time delivery of capital projects
  - Safe productivity improvement
