## Mining and Metals

We are proud to have supported the transformation initiatives of these best in class organizations...

### What if you could...

- Increase shareholder value, engage your people in positive transformation, achieve record production at optimal operating cost, and do it safely?
- Deliver full production, on budget, shorten ramp up transition & deliver target ounces ahead of schedule, safely?
- Fundamentally change the way you work on:
  - Operating model design & implementation for reduced cost of production
  - Integrated planning & scheduling
  - Logistics & supply chain design & optimization
  - Capital, construction & turnaround project cycles & costs
  - Asset availability & utilisation
  - Throughput improvement & process stabilization
  - Safe productivity improvement

-  **20-35%** Reduced sub-contractor costs
-  **8%-12%** Improved return on working capital employed
-  **20-40%** Reduced downtime
-  **20-30%** Maintenance cost reduction
-  **20-40%** Improved overall productivity
-  **5%-15%** Reduced energy costs
